

REMARKS

In the Office Action, Claims 39-41 were considered allowable as indicated on page 9 of the Office Action. In response, independent claims 1, 13 and 27 have been changed to incorporate the claimed features and any intervening claim features associated with claims 39-41, respectively. Therefore, Applicants believe that the rejections should be withdrawn and further respectively submit that the present application should be in condition for allowance.

The Commissioner is hereby authorized to charge deposit account 02-1818 for any fees which are due and owing.

Respectfully submitted,
